

School	Grade	Teacher	Activity
Centennial	5	Matthew Whitehead	turned off lights in our classroom all day, talked about the importance of Earth Hour & the environment in general, & each did a poster pertaining to the topic, which we're displaying on a bulletin board
M.A. Wittick school	entire school		turned off all lights from 2:15 to 3:15 on Friday the 28th.
Laurentian	JK/SK		students had a litterless lunch and turned off their lights for the entire day
Laurentian	SK		students were environmentally conscious and brought back all wrappers, containers and left-over food home from their lunch
Laurentian	grade 1		students turned off all the computers in the lab after their class and conserved water and soap when using the washroom during the day
Laurentian	grade 1/2		students used scrap paper to invite their parents to a candle light party on Saturday, March 29th from 8:00 to 9:00 p.m. where families could play board games or cards
Laurentian	grade 2		students in the portable turned off the lights during the day and have committed to doing this every Friday
Laurentian	grade 3		students turned off their class lights, checked that the water taps were not dripping and turned off their class computer
Laurentian	grade 4/5		students wore green or blue for the day, did some recyclable art, and turned off all things electrical in the class
Laurentian	grade 5/6		students shut the lights during art and math class
Chippewa S.S.	entire school		All the lights will be turned off in the school
Phelps Central	entire school		the school will turn off the lights from 11 to 12 in order to save electricity. The grade 5-8 students are having a dance later in the day...we decided not to turn out all the lights then
South River School			all of the classes have their lights out today
South River School	grade 3/4 class		has had their lights out all week
South River School	most classes		most of the classes have been reading books about the environment
South River School	grade 4/5		class is having a litter less lunch day
South River School	grade 6 class		is only using scrap paper to write on
South River School	grade 4/5 class		did math surveys related to Earth hour
South River School	1/2 class		created posters about Earth Hour
Parry Sound HS	Admin	Dawn Styles-Buckland VP	I'll have the lights out in my office, and, unless needed, we'll turn the lights out in the bathroom, storage room and conference room as well as turn off the unused printers and the photocopier.
Parry Sound HS			for the afternoon by shutting off lights, and limiting the use of other energy sources
Parry Sound HS		Ms. Lewis,	in baking, relied on hand mixing instead of electrical appliances.
Parry Sound HS		Ms. Kitchen	in science added that there were no lights on in the lab and no labs that included Bunsen burners.
Parry Sound HS		Mr. Henry	tried to walk to cooperative education placement visits that afternoon.
Parry Sound HS		Mrs. Campbell	a child development counselor, went as far as to unplug as many electrical items as she could in her room
Parry Sound HS		Ms. Steele	packed away her electrical appliances and focused on the skin care program.
Parry Sound HS		Mrs. Butt, Principal,	says they tried to limit lights and computer use (which can be hard for the main office), and also turned off NED.
