

## **Moore Propane Gives Back to the Community**

Moore Propane is kindly donating a five to six foot tree to the 2008 Graduating Classes of Almaguin Highlands Secondary School, South Shore Education Centre, M.T. Davidson, Mapleridge and Ferris Glen Schools. The *Legacy Trees* will be planted at the schools in the communities that Moore Propane serves. This is their way of giving something back to their community.

Thank you Moore Propane!
