Permission Forms
2011-2012 School Year

Dear Parents/Guardians:

1) Walking Trips:

From time to time throughout the school year, we will be taking students on short walking excursions. Often these short educational excursions involve the students in learning experiences through outdoor education in a bush lot, at a stream, to the post office, or to a local farm. All excursions are supervised by teaching staff and volunteers. Please indicate below to indicate if your child has permission (or not) to participate in these walking trips.

_____ I give my permission re: walking excursions.
_____ I DO NOT give my permission re: walking excursions.

2) Photographing/Video Taping:

Throughout the year students may be photographed or videotaped while participating in school activities. Occasionally these pictures are printed in local newspapers (sometimes with names) or may be shown at public events, such as Open House. Please indicate if your child has permission (or not) to appear in the photographs/video tapes.

_____ I give my permission re: photographs/video tapes.
_____ I DO NOT give my permission re: photographs/video tapes.

3) Internet Access Policy

Student internet users and their parents or guardians are warned that the school does not have control over the information on the Internet and specifically assumes no responsibility for the content of any advice or information received by the user from any source on the Internet.
